Overview

On June 4, 2012, TDOT mailed over 300 letters to potentially affected property owners. On August 3, 2012, a meeting was held to allow residents to voice their concerns about the options. A fourth option was developed as a result of that meeting. On September 13, 2012, options 1 through 4 were presented at the Neighborhood Access Options Open House. Option 5 was developed as a result of input gathered from the above meetings.
